

Falkirk Needs A Town Hall!

There is a real threat that Falkirk Town Hall will be closed and no replacement provided.

We feel that the town hall is a **vital asset to the community** for both performers and audiences and **the town would be a much poorer place without it.**

• What can *you* do about it? •

Falkirk Council is meeting to discuss the issue on **Wednesday 26th February**. There will be a **demonstration outside the Council Chambers next to Falkirk Town Hall that morning gathering at 8.30am-9am.**

Please **join us** if you can and encourage as many of your friends as possible to come along for a peaceful, positive and passionate public demonstration.

Please sign the **petition** – go to Falkirk Arts Network page on Facebook and click on the link. Please tell as many people as possible and ask them to do the same.

This campaign is being coordinated by

legally known as Falkirk and District Arts
and Civic Council SCIO).

We are a membership organisation
representing, connecting and supporting
arts and creative groups, companies and
organisations who collectively are **thousands**
of members, staff, volunteers and
audiences across the Falkirk area who use
Falkirk Town Hall throughout the year in
many different ways for the benefit of the
whole community.
